HEADS UP!

No League Play – October 1st, October 8th and October 15th

Ironwood is closed for overseeding September 28th – October 18th.

League play resumes October 22nd, with play from 150 yards in for the October 22nd and October 29th league play dates.

Start Times Change October 22nd!

After overseeding, shot gun starts will change to **8:00 a.m.** and **12:30 p.m.** for the rest of October!

Remembrance Day

On the October 22nd play date, we are designating this day as a day of celebration and remembrance for those ILGA members whom we lost within the last two years. Jan McCarthy has created memorial signs to display on the course and we have black ribbons that league players can wear in remembrance. This is just a day to remember and perhaps share some special memories of those we have lost.
