

2027 ILGA YELLOW/SILVER TEE APPLICATION

If you meet the rule of 95 (Age +H/C Index), you may select to play from the Yellow/Silver tee boxes for 2027. If you opt to do this, you will play these tees for **all** of 2027. For Holes 1, 9, 12, and 18, you will play from the Silver Tee Box and from the Yellow Tee Box on the remaining holes. You will lose 3-4 strokes of your Handicap playing the Yellow/Silver tees.

ILGA members must complete the application and place it in the ILGA Scorecard Box by December 31, 2026. You may only opt out of playing from the Yellow/Silver tees for Low Net and Club Championships. It is your responsibility to inform the Tournament Chair that you are doing so.
